

Q1: Who is Dr. S.C. Vats?

A: Dr. S.C. Vats is the founder of Vivekananda Institute of Professional Studies-Technical Campus. He met Swami Jitatmanandaji, who inspired him to establish an institute for higher learning in the name of Swami Vivekananda.

Q2: Who is Swami Jitatmanandaji?

A: Swami Jitatmanandaji was an eminent educationist, management expert, author, social worker, and the editor of *Prabudh Bharat* (Awakened India), a journal started by Swami Vivekananda. He played a significant role in motivating Dr. S.C. Vats to set up the institute.

Q3: What is the connection between Swami Vivekananda and the Vivekananda Institute of Professional Studies-Technical Campus?

A: The institute was established under the inspiration and guidance of Swami Jitatmanandaji, who suggested that Dr. Vats create a higher learning institution in the name of Swami Vivekananda, a revered spiritual leader and pathfinder.

Q4: Who are the members of the Board of Management?

A: The members of the Board of Management are:

- **Chairman:** Dr. S.C. Vats
- **Vice Chairmen:** Mr. Krishan Aggarwal, Mr. Suneet Vats, Mr. Ajay Bindal, Mr. Vineet Vats
- **Secretary:** Mr. Naresh Aggarwal

Q5: What is the vision of VIPS-Technical Campus?

A: The vision of VIPS-Technical Campus is to establish, maintain, and promote a Centre of Excellence for imparting quality professional education both in India and abroad.

Q6: What is the mission of VIPS-Technical Campus?

A: The mission of VIPS-Technical Campus is aligned with Swami Vivekananda's ideals of "Man Making, Character Building, Nation Building."

Q7: What is the Quality Policy of VIPS-Technical Campus?

A: The Quality Policy of VIPS-Technical Campus is to build professional schools that emphasize excellence in education and entrepreneurship, equipping students to meet challenges in both education and industry. Additionally, it focuses on continuous improvement in institutional planning, strategy implementation, and evaluation activities.

Q8: How did the legacy of VIPS-Technical Campus begin?

A: The legacy of VIPS-Technical Campus began in 1997 when Dr. S.C. Vats, inspired by Swami Jitatmananda Ji at Advait Ashram in Mayawati, took on the challenge of establishing an institute for higher learning in the name of Swami Vivekananda. To realize this vision, Dr. Vats sold his ancestral house to create the seed capital and founded a society called the Society for Total Revival and National Glory and True Heritage (STRENGTH), registered in 1998, with the mission of "Man Making, Character Building, Nation Building" as envisioned by Swami Vivekananda.

Q9: What are the different schools that are part of Vivekananda Institute of Professional Studies-Technical Campus (VIPS-TC)?

A: VIPS-TC consists of several specialized schools, including:

- **Vivekananda School of Law and Legal Studies**
- **Vivekananda School of Information Technology**
- **Vivekananda School of Journalism & Mass Communication**
- **Vivekananda School of Business Studies**
- **Vivekananda School of Economics**
- **Vivekananda School of English Studies**
- **School of Engineering & Technology**

Each school offers focused programs and professional education in its respective field.

Q10: What courses are offered in the School of Engineering & Technology at VIPS-TC?

A: The School of Engineering & Technology at VIPS-TC offers the following courses:

- **B.Tech in Computer Science & Engineering**
- **B.Tech in Artificial Intelligence and Data Science**
- **B.Tech in Artificial Intelligence and Machine Learning**
- **B.Tech in Industrial Internet of Things**
- **B.Tech in Electronics Engineering (VLSI Design & Technology)**
- **B.Tech in Computer Science & Applied Mathematics**
- **B.Tech in Computer Science & Engineering (Cyber Security)**

These courses provide students with a comprehensive education in various cutting-edge fields of engineering and technology.

11. How are admissions conducted at VIPS?

Answer: Admission at VIPS is primarily based on the Common Entrance Test (CET) conducted by GGSIPU. Different programs may require specific entrance exams. For instance, the law programs require the CLAT score, while other undergraduate programs require the CET. Admission also includes consideration of merit in the qualifying examination. The final selection is based on the ranking in these tests and the fulfillment of eligibility criteria specific to each program.

12. What is the infrastructure like at VIPS?

Answer: VIPS boasts a modern campus equipped with state-of-the-art facilities to enhance the learning experience. The classrooms are technology-enabled, fostering interactive learning. The campus also features well-equipped laboratories for IT and media studies, moot courts for law

students, a fully-stocked library with access to national and international journals, sports grounds, and auditoriums for cultural events. Additionally, there are spaces for extracurricular activities and an active student support system.

13. What extracurricular opportunities does VIPS provide to students?

Answer: VIPS strongly believes in the holistic development of its students, encouraging participation in various extracurricular activities. The institute has several student-led clubs and societies that focus on debating, public speaking, cultural activities, journalism, and sports. Law students often participate in moot court competitions, while journalism students engage in hands-on training through media events. Regular guest lectures, workshops, and seminars are also organized, offering exposure to real-world challenges.

14. What is the role of the placement cell at VIPS?

Answer: The placement cell at VIPS plays a crucial role in bridging the gap between students and industry. The cell organizes regular placement drives, internships, and skill-building workshops to prepare students for the job market. The placement cell works closely with top companies, law firms, media houses, and IT firms to ensure that students secure meaningful internships and job placements. Many students have secured roles in prestigious companies such as Infosys, Wipro, TCS, Times of India, and major law firms.

15. What makes the law programs at VIPS unique?

Answer: The law programs at VIPS, offered under the Vivekananda School of Law and Legal Studies (VSLLS), are renowned for their comprehensive curriculum, which blends theoretical knowledge with practical exposure. Students gain hands-on experience through regular moot court sessions, legal research, client counseling, and participation in national and international moot court competitions. The law school also has strong ties with the legal fraternity, offering internships in law firms, courts, and corporate legal departments.

16. What is the mission and vision of VIPS?

Answer: The mission of VIPS is to provide education that fosters intellectual curiosity, moral uprightness, and a sense of social responsibility in students. Drawing inspiration from the teachings of Swami Vivekananda, the institute strives to develop professionals who are not only technically competent but also ethically sound. VIPS envisions becoming a center of excellence in higher education by offering an education that empowers students to contribute positively to society.

17. How does VIPS contribute to research and innovation?

Answer: VIPS encourages research and innovation across all its disciplines. The institute has dedicated research centers and provides resources like access to research databases, journals,

and specialized software. Students and faculty are encouraged to participate in conferences, publish papers, and engage in collaborative research with industry partners. Additionally, the media and law schools often conduct field-based research projects and contribute to academic journals and legal databases.

18. What kind of academic support is available at VIPS?

Answer: VIPS provides a strong academic support system for its students. This includes access to mentoring by faculty members, academic counseling, and tutoring services. The library offers extensive resources, including textbooks, reference books, e-books, and academic journals. Additionally, students have access to online learning platforms, and workshops are frequently conducted to help students improve their academic and professional skills.

19. Vivekananda School of Law and Legal Studies (VSLLS)

- **Q: What law programs are offered at VSLLS?**
A: VSLLS offers integrated law programs such as B.A. LL.B and B.B.A. LL.B. These are five-year integrated courses aimed at providing students with comprehensive legal education, blending legal theory and practical training through moot courts, internships, and client counseling.
 - **Q: What kind of practical experience can law students expect at VSLLS?**
A: Students at VSLLS gain practical exposure through regular moot court sessions, legal aid clinics, participation in national and international moot court competitions, and internships in law firms, NGOs, and judicial bodies.
 - **Q: Are there special research opportunities for law students at VSLLS?**
A: Yes, VSLLS has a focus on legal research. The faculty and students collaborate on research projects and publish papers in reputed law journals. Students can also participate in legal conferences and workshops.
-

20. Vivekananda School of Journalism and Mass Communication (VSJMC)

- **Q: What programs are available at VSJMC?**
A: VSJMC offers a Bachelor's degree in Journalism and Mass Communication (B.A. JMC). The program provides a blend of theoretical knowledge and practical exposure to media studies, including print journalism, broadcast journalism, digital media, and public relations.
- **Q: How does VSJMC ensure practical exposure in media?**
A: VSJMC has media labs, television and radio studios, and print media workshops where students gain hands-on experience in media production, reporting, editing, and public relations. Internships with media houses and live projects are integral parts of the curriculum.
- **Q: What extracurricular activities are available for media students at VSJMC?**
A: VSJMC encourages participation in media-related festivals, seminars, and national

and international film and journalism competitions. Students also work on college publications, documentaries, and public campaigns as part of their training.

30. Vivekananda School of Information Technology (VSIT)

- **Q: What IT courses does VSIT offer?**

A: VSIT offers programs such as Bachelor of Computer Applications (BCA) and Master of Computer Applications (MCA). These programs provide a strong foundation in programming, database management, networking, software development, and emerging IT trends.

- **Q: How does VSIT enhance practical IT skills for students?**

A: Students at VSIT benefit from well-equipped computer labs with advanced software, cloud computing platforms, and real-time project experience. The curriculum emphasizes coding, software engineering, artificial intelligence, and data science. Internships and industrial projects are integral to the learning process.

- **Q: Are there opportunities for IT research at VSIT?**

A: Yes, VSIT promotes research in fields like artificial intelligence, machine learning, cybersecurity, and cloud computing. Students are encouraged to work on research projects, present papers, and collaborate with the industry for innovative solutions.

40. Vivekananda School of Business Studies (VSBS)

- **Q: What business programs are offered by VSBS?**

A: VSBS offers undergraduate programs such as Bachelor of Business Administration (BBA) and Bachelor of Commerce (Honors), as well as an MBA program. The courses cover a wide range of business disciplines, including management, marketing, finance, and entrepreneurship.

- **Q: How does VSBS prepare students for the business world?**

A: VSBS emphasizes case studies, business simulations, live projects, and internships. The business school collaborates with industry professionals for guest lectures, workshops, and corporate networking events to ensure that students are well-versed in real-world business challenges.

- **Q: What extracurricular opportunities are available for business students at VSBS?**

A: Students can join various clubs focusing on finance, marketing, entrepreneurship, and public speaking. The school organizes business fests, startup events, and competitions, giving students a platform to showcase their skills and ideas.
